

# Effective Outreach to Well Owners & Well Assessment Workshops

June 20<sup>th</sup> 8am – 12pm | June 21<sup>th</sup> 1pm – 5pm

Missoula Health Department,  
Conference Room 210  
301 W. Alder  
Missoula, MT 59802

Gallatin County Courthouse,  
Community Room  
311 W. Main St.  
Bozeman, MT 59715

## Part 1 – Effective Outreach to Private Well Owners

Learn from other successful outreach programs around the country how to effectively engage well owners about wells and public health protection.

## Part 2 – Resources Available to Educate Well Owners and Stakeholders

Discover the many great tools and resources available to help raise awareness of private well issues and educate stakeholders about well care.

## Part 3 – How to Evaluate A Well or Spring to Determine Risk and Vulnerability

Learn straightforward steps to assess the geology, well construction, and site conditions at a private well to help the well owner understand potential risks.
